DBG Commercial is a general contractor specializing in the finishing of interior spaces of tenant buildings. We are a full service commercial general contractor offering our services from conceptual drawings through warranty.

The long standing relationships we have with quality trade contractors, vendors, and designers allow us to deliver jobs in an efficient manner each and every time. DBG Commercial maintains a motivated staff of project administration, management, superintendent, and field personnel equipped to execute each contract with a high level of service before, during, and beyond completion.

Through our extensive network of trade contractors, DBG Commercial has the capability to deliver the highest quality while still maintaining the most competitive pricing. We are licensed, bonded and insured to work in both the Greater Chicago

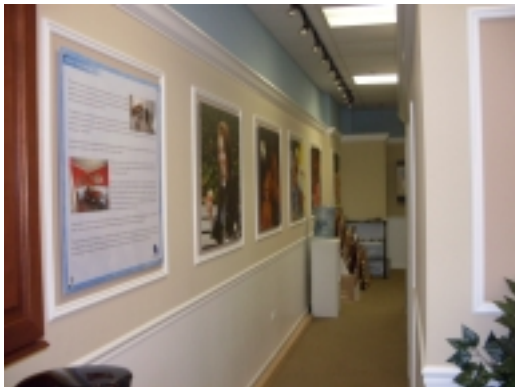

suburbs as well as the City of Chicago. DBG Commercial's strengths lay in its attention to detail, its capability to manage schedules and budgets and deliver a high quality product. As a leader in construction, we have established relationships with building departments throughout the greater Chicagoland area.

DBG Commercial prides itself on using the latest in scheduling, accounting and CAD software to keep projects on time and on budget. DBG Commercial has been utilizing technology for years to assist in taking days off schedules and dollars off of budgets. DBG Commercial also uses its

extensive employee and trade contractor intranet system to aid in the distribution of all construction documents; from Requests for Bids to complete architectural drawings.

Our goal is to complete all projects on time, within budget and to exceed our client's expectations. We strive to develop and maintain personal relationships with our clients because experience has shown that mutual trust, respect and understanding allows projects to run smoother and to be

completed in a first class manner.
